Belligerents Around Naco Have Received Orders to Cease Hostilities

[Associated Press by Federal Wireles]
WASHINGTON, D. C., Dec. 14.—Gen. Carranza's agent in this city has received a reply from his chief to the warning sent by the department of state that American artillery will reply to all further firing across the border into Naco, Ariz., from the Mexican side of the line.

The text of this reply will be made public today, but last night Carranza's agent stated that "Carranza is friendly to the United States."

This is contradictory to the advice received yesterday from Vera Cruz, where Carranza was reported to have said that any attempt by the United States to use force in stopping the firing across the boundary at Naco would be regarded as an unfriendly action, indicating a desire upon the part of the United States for war with Mexico, and equivalent to a formal declaration of war.

The siege of Naco continues, and the air is filled with flying shot and shell, many of the missiles falling on American soil. Two persons were hit yesterday, but not injured, by spent shrapnel bullets, while Mrs. Jose Martinez was wounded by a stray bullet from the Mexican side which pierced the wall of her home. This makes the third casualty in Naco, Ariz.

Advices yesterday from the City of Mexico reported that Provisional President Bullois Gutierrez had ordered the "absolute cessation of hostilities at Naco, Sonora," and that "the friend-

ship of the United States must be kept at any cost."

Despatches from El Paso yesterday say that the orders of Gutierrez were delivered to Gen. Maytorena. If these advices are correct, Maytorena is deliberately ignoring the orders, as he is now preparing for a final attack on Tuesday on the defending forces at Naco under Col. Benjamin Hill.

In the event the contending Mexican forces disregard the ultimatum of the United States and fire into Naco during this attack, the American troops will go into action. Gen. Bliss is preparing for this contingency, and has established his artillery batteries in commanding positions north of the boundary line.

Gen. Pancho Villa, who has been in the City of Mexico with Gen. Zapata and Provisional President Gutierrez, arrived yesterday in Chihuahua. The reason for this movement on his part is not known.

Anti-American sentiment was entirely absent at the memorial services held yesterday at Vera Cruz for the Mexicans who were killed in resisting the American occupation of the city in April.

SAN ANTONIO, Tex., Dec. 13.—Reports received here last night say that three brothers, said to have been named Zapata, were shot by soldiers of the Matamoros garrison yesterday. The youngest was a boy of 14 years. The execution was a result of an order received by the commander at Matamoros to shoot every man bearing arms against Carranza. The men who were executed had been captured in a recent fight.

[By Latest Mail]
WASHINGTON—Governor Goethals has ruled that the Panama Canal is not liable for demurrage charges on account of delays caused by earth slides in the canal. The point arose when the big American-Hawaiian liner Arizona, was held up at Pedro Miguel lock for a week by the second movement of the new Culebra slide on Oct. 31.

Because of her dimensions the Arizona was detained three days longer than the other vessels stopped by the slide. It is possible that the case will be taken to the courts, as the company asserts a loss of about \$450 a day by the detention.

Disregard of Neutrality Laws By Belligerents Causes Need of Patrol

[Associated Press by Federal Wireles]
WASHINGTON, D. C., Dec. 14.—In reply to a message sent to Col. Goethals asking why he desired torpedo-boat destroyers sent to the canal, Secretary Daniels of the navy department yesterday received a telegram stating that disregard for American neutrality regulations on the part of vessels of belligerent nations required the presence of American warships.

The secretary of the navy announced, following the receipt of this reply, that he would send a torpedo-boat destroyer to the Atlantic end and one to the Pacific end of the canal for patrol duty and to enforce obedience to the laws.

WASHINGTON, D. C., Dec. 13.—A message was received yesterday from Col. George W. Goethals, at Panama, asking that torpedo boat destroyers be sent immediately to the canal zone. No reply has been received to a message sent to Col. Goethals asking why the warships are wanted.

REPRESENTATIVES HONOR MEMORY OF PAYNE

[Associated Press by Federal Wireles]
WASHINGTON, D. C., Dec. 14.—The funeral exercises for Representative Serrano Payne, which were held in the house of representatives yesterday, are the first obsequies to be held in the house chamber in 15 years. The body has been removed in state to the Payne home in Auburn, N. Y., escorted by 60 members of the house.

U. S. ORDNANCE DEPT. HAS POWERFUL AIRSHIP GUN

[Associated Press by Federal Wireles]
WASHINGTON, D. C., Dec. 14.—In his report to the house committee on naval affairs, Rear-Admiral Joseph Strauss, chief of the bureau of ordnance of the navy department, states that his department has developed and perfected a gun for use against aircraft, which is effective and will destroy military airships at an altitude of 7000 feet.

Fort Shafter Notes

[Special Star-Bulletin Correspondence]
FORT SHAFTER, H. T., Dec. 11.—The expected arrival of two new officers in the Second Infantry is causing little moving in the cantonment but every set of quarters will be occupied. Lieut. Camp has vacated his quarters and moved over to the bachelor building. Lieut. Richardson and family will move into the set of quarters recently vacated by Captain Jackson and Lieut. Sloan will occupy the quarters vacated by Lieut. Camp.

Upon the recommendation of their respective company commanders the following appointments and promotions are made in the 2nd Infantry:

Company E.—To be sergeant: Corporal James, Loman and William M. Harris.

To be corporals: Lance Corporal Frederick A. Glund, Private Henry J. Tranter.

Company L.—To be sergeant: Corporal Luther C. Cox.

To be corporals: Lance Corporals Raymond Spruell, Raymond E. Nason, Charles L. Spencer, Bruce D. Hollen, William O. Kinsey, William Rich and Private Richard Flecher and Charles Hutchings, Jr.

The golf links at Fort Shafter are rapidly being put into shape and the course promises to be as good as any on the island when completed. Lieut. McAndrew, an expert golfer, is in charge of the construction and has almost completed five of the greens. The course will contain more hazards than any course on the islands and is being modeled after the English style.

When completed there will be nine holes and out of the nine only two will be level—the others will present severe penalties to the amateur in the way of rocks, brush, creeks, etc.

The many friends of Mrs. W. R. Gibson, wife of Captain Gibson, will regret to learn of her serious illness in a hospital at San Francisco.

Captain Gibson expected to be transferred to a regiment in the states but it is understood that he has been ordered back to the regiment upon expiration of his leave in January.

There will be the usual annual physical inspection of all officers in the garrison at the department hospital beginning Saturday. Officers found unfit for hard field service at the examination will be subject to the action of a retiring board.

The bi-weekly hop on Friday night at the post-hop-room was attended by a very small garrison crowd. There being about a dozen couples on the floor. The music was splendid and those present had a most enjoyable evening.

The badly overcrowded sewer system at the post is being remedied by the installation of an entirely new 12-inch main extending out to sea. Work has commenced and being rushed to completion.

A young son was born to the wife of Captain Jay D. Witham, medical corps, at the department hospital on December 9.

The will of George Westinghouse, just proved, shows that his English properties amounted to \$184,200.

DID CHILD WAKE UP CROSS OR FEVERISH?

Look Mother! If tongue is coated give "California Syrup of Figs" to clean the bowels.

Mother! Your child isn't naturally cross and peevish. See if tongue is coated; this is a sure sign, its little stomach, liver and bowels need a cleansing at once.

When listless, pale, feverish, full of cold, breath bad throat sore, doesn't eat, sleep or act naturally, has stomach-ache, diarrhoea, remember, a gentle liver and bowel cleansing should always be the first treatment given.

Nothing equals "California Syrup of Figs" for children's ills; give a teaspoonful, and in a few hours all the foot waste, sour bile and fermenting food which is clogged in the bowels passes out of the system, and you have a well and playful child again. All children love this harmless, delicious "fruit laxative," and it never fails to effect a good "inside" cleansing. Directions for babies, children of all ages and grown-ups are plainly on the bottle.

Keep it handy in your home. A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," then look and see that it is made by the "California Fig Syrup Company." Counterfeits are being sold here. Don't be fooled!—advertisement.

U. S. CONTRACTS FOR DESTROYERS AWARDED

[Associated Press by Federal Wireles]
WASHINGTON, D. C., Dec. 14.—Secretary of the Navy Daniels yesterday awarded the contracts for the construction of the six destroyers authorized in the last naval appropriation bill. One contract was awarded to the Mare Island navy yard and this destroyer will be the first built in a government plant.

The average cost of the destroyers will be \$302,600, or \$73,263 less than the average cost a year ago, according to the estimates submitted.
